UNIVERSAL UNIPACK

SINCE 1981

About Our Company

Established in 1981, Universal-UniPack Company has solidified its position as a committed participant in the packaging sector within the Egyptian market. The headquarter is located in the 10th of Ramadan Industrial City.

Acknowledging the pivotal role of packaging in both brand representation and product protection, the company provides an extensive array of customized solutions that span from conventional to tailored designs. These solutions are aimed at elevating both the efficiency and visual appeal of packaging.

Transitioning from a state of progress to one of achievement, we have become a subsidiary of Pioneers Holding. This transition has culminated in the company's official listing as "UNIP.CA" on the EGX-Egyptian Stock Market Exchange, a strategic maneuver that has enhanced our credibility.
